TSA CHANGES - ARRIVE EARLY

Please be aware of the recent changes to [TSA screening procedures](#), including the requirement to place powder-like substances over 12oz./350ml in your checked bag when traveling on an international flight to the United States. For more information on powder restrictions, visit [delta.com](#)

In addition to these changes, many airports are experiencing a high volume of travelers, resulting in long check-in, baggage drop and security checkpoint lines. Please plan to arrive at the airport at least 2 hours prior to your departure when traveling domestically (within the U.S.) and at least 3 hours prior to your departure when traveling internationally. We also encourage passengers to check-in online at [delta.com](#) or via the Fly Delta app to help avoid delays.

RESTRICTED HAZARDOUS ITEMS

To ensure the safety of our customers and employees, **Delta will no longer accept smart bags starting January 15, 2018. Smart bags with non-removable lithium-ion batteries** will not be permitted as carry-on or checked baggage on any Delta mainline or Delta Connection flight. For more information, please visit our [News Hub](#).

Hoverboards or any lithium battery powered self-balancing personal transportation devices are also not permitted as both carry-on and checked baggage.

Spare batteries for other devices, fuel cells, and e-cigarettes are permitted in carry-on baggage only. If your carry-on bag contains these items and is gate checked, they must be removed and carried in the cabin. Further information

checked, they must be removed and carried in the cabin. Further information and specific guidelines regarding restricted items can be found [here](#).

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATIONS OF LIABILITY

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage.

Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.

Conditions of Carriage

- Our policy on [overbooking flights](#), and your rights if we deny you boarding due to an oversold flight.

These terms are incorporated by reference into our contract with you. You may view these conditions of carriage on [delta.com](#), or by requesting a copy from Delta.
